

# Elderly Assist Ltd

We take the stress out of moving by helping you to downsize, declutter, pack and relocate.

Thinking of moving into a smaller home or retirement village, but daunted by the amount of work involved?

Worried about having to part with treasured lifelong possessions?

Moving home can be stressful, but it doesn't have to be. At Elderly Assist we manage the entire move or just parts of it without 'taking over.' We liaise with your family where possible and leave clinical or medical matters to trained professionals. **Call us for a free initial consultation.**

## Specialist organisers and managers through times of change

- Assisting you to prepare your home for sale, including general house and garden maintenance by trained professionals. Our interior design consultants can transform its look and feel.
- Downsizing and decluttering.
- Assistance with the sale of furniture and belongings. We ensure you receive the maximum return and we do not take a commission on the sale of your goods.
- Packing, moving and unpacking. We only use professional movers that we trust to take good care of your belongings. In the unlikely event that anything should go wrong, then we do have insurance for your belongings.
- Assistance with gifting to friends or family and donations to charities.
- Retirement Village viewings.
- Estate Dispersal.
